MONITOR REVIEW FORM

Sponsoring Organizations of Affiliated and Unaffiliated Centers

INSTRUCTIONS FOR COMPLETING MONITOR REVIEW FORM

For all sponsoring organizations, at least two of the three monitor reviews per site must be unannounced. A meal service must be observed during at least one of the monitor reviews conducted in the past year. In accordance with USDA FNS Policy Memo CACFP 16-2011, sponsoring organizations must ensure that the timing of unannounced reviews is unpredictable. For example, unannounced reviews that always occur during the third week of January, third week of May, and third week of September are predictable. The review schedule should be varied enough that facilities staff are unable to anticipate the date/timing of the review.
